BROKER'S SUMMARY

58ft Semi-Trad style narrow boat. High quality steelwork with side doors and semi-trad stern with standing deck doors. Classic professional fit-out in by Elton Moss Boatbuilders in solid oak T&G oak faced panel & solid oak trims, to a reverse lay-out offering up to 6 berth accommodation in a 2 + 4 layout (Note: Saloon built in sofa, which converts to a double or two single beds, can be easily removed should this be required) Powered by a Canaline 42hp, 4-cylinder marine diesel engine with PRM 150 hydraulic gearbox.

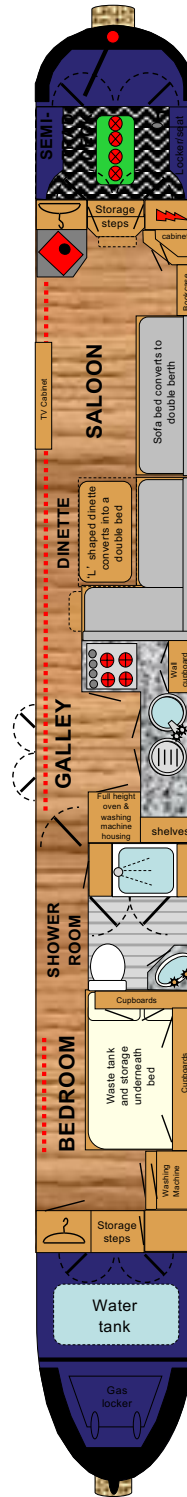

A luxurious high specification liveaboard narrowboat, ideal for those who want to liveaboard or extended cruise. She is fully equipped with everything required for a hassle-free life afloat.

She has been professionally maintained and blacked regularly since new, a hull survey was completed in June 2026.

BSSC to July 2027.

LAYOUT DIAGRAM

(not to scale)

FROM THE BOW

From the bow which holds the gas locker, there is a bow thruster locker, a 3ft 7in self draining open well deck. The stainless-steel water tank is located beneath the well deck with a surface mounted filler. The headlamp is mounted on the front cabin top.

GENERIC FIXTURES AND FITTINGS

The ceilings, and hull sides are lined with oak faced plywood trimmed with solid oak, the cabin sides are solid oak T&G. All the interior wood has been professionally lacquered. There are curtains or blinds to all windows. The flooring is solid oak planking throughout, apart from the bathroom which has laminate.

BEDROOM 10ft 4in

Steel, half glazed front doors, oak panelled internally open out onto the front deck with storage steps down into the bedroom.

Furniture: 4' 6" domestic sized fixed double bed with storage space and waste tank underneath. 1 x full height wardrobe. 1 x full height cupboard with hanging rail and shelves. Range of wall mounted cupboards above the bed.

Heating: Fin rad.

Lighting: 2 x large portholes with top opening vents. 3 x 12v, LED ceiling lights. 2 x 12v, reading lights mounted above the bed.

Appliances: Domestic sized Indesit washer/dryer.

Power: 2 x 240v sockets.

SHOWER ROOM 6' x 4'

The cabin shower room has a white suite comprising:

Suite: Rectangle shower enclosure with chrome thermostatic mixer bar, shower attachment and glazed door. Corner vanity unit with large inset wash basin, chrome effect taps and a cupboards beneath. Tecma macerator pump-out toilet with remote holding tank. Storage cupboards accessed from the corridor. [Large wall mounted mirror.](#)

Lighting: 1 x large porthole with top opening and privacy glass. 2 x 12v, LED ceiling lights. 1 x 12v, shower light. 1 x 12v, light with extractor fan. 1 x 12v, fluorescent wall light with shaver point

Heating: 1 x towel radiator.

Corridor Lighting: 1 x large porthole with top opening. 2 x 12v, LED ceiling lights.

GALLEY 7' 4"

The galley has custom built units with oak framed door and drawer fronts. Worktops are Techstone granite with ceramic tiled splash-backs.

Base units: 1 x double cupboard that extends into the corners and has a drawer above. Full height oven housing with cupboard above and dishwasher housing below. Fridge housing.

Wall Units: 1 x wall cabinet. 2 x wall mounted shelves.

Appliances: Belling, stainless steel eye-level oven and grill. Thetford, inset four burner gas hob. Shoreline 12v electric fridge with freezer. Beko slimline Dishwasher. Whirlpool 700w microwave. Stainless steel, inset sink and separate drainer with chrome monobloc tap.

ENGINE & TRANSMISSION

The boat is powered by a Canaline 42 hp, 4-cylinder water cooled, marine diesel engine, coupled to a PRM 150 hydraulic gearbox turning the propeller. The exhaust is lagged, silenced and vents out under the side deck. The engine powers twin alternators to charge the start battery and the 4 leisure batteries.

BOW-TRUSTER

Vetus 55kgf electric bow-thruster with controls at the stern.

WATER

The 375-litre stainless steel water tank is located under the front well deck. Water pump with pressure switch and accumulator is housed in the front wardrobe. The twin coil calorifier is heated by the diesel fired central heating boiler and/or the engine heat exchanger.

HEATING

Heating is provided by the Bubble solid fuel stove in the lounge and the Webasto diesel fired boiler running skirting radiators.

ELECTRICS

240v circuit from landline with RCD.
12v lights throughout protected by fuses.
2 x 12v, 110/80 amp/hr engine driven alternators.
